

WHAT IS NTTC?

- NTTC is a trade association. It represents and promotes the interests of the highway bulk transportation community before the US Congress, Federal agencies such as the DOT, EPA, OSHA and others. Transportation related issues at the state and local levels are regularly addressed
- NTTC is specific—unlike other organizations and information services, NTTC's sole interest is tank truck transportation and matters that affect it.
- NTTC is a forum. NTTC's conferences, seminars and meetings have served as the platform for tank truck transportation issues for over 65 years.

WHY SHOULD I BECOME AN NTTC ASSOCIATE ?

If you or your company include tank truck carriers in your customer base, it's important that you know the important issues confronting their management. Whether it's new regulations, equipment modifications or service requirements, a working knowledge of the industry's "hot buttons" is essential to your marketing program. NTTC will help you meet and "speak the language" of your potential and existing customers.

Associate membership in NTTC will guarantee you access to potential and existing customers and to the information vital to the tank truck industry. Here's how:

INFORMATION

- periodic bulletins -- the latest in political, marketing and regulatory changes (state, local and Federal)--information that is reliable, timely, concise, and accurate
- bi-monthly newsletter -- covering a wide range of bulk transport/hazardous material issues
- access to the "members only" portion of the web site
- direct access to NTTC's experienced staff via phone, fax or web

CONTACT WITH CARRIERS, SHIPPERS AND REGULATORS VIA:

- Annual Conference & Equipment Show
- Annual Cargo Tank Maintenance Seminar & Equipment Show (Tank Truck Week)

- Annual Management Development Seminar
- Annual Planning Seminar
- Tank Truck Safety Council
- Tank Cleaning Council
- DOT Cargo Tank Workshops
- Special seminars on timely topics
- Listing in NTTC's annual directory and on our web site (including a free link to your web site, if applicable)

DISCOUNTS AND SAVINGS

- on publications -- NTTC's Cargo Tank Hazardous Materials Regulations book (the Federal regulations governing tank truck transportation - updated annually), the annual membership directory and other publications. Each Associate Member receives a free listing in the Directory.
- on registration fees at the annual conference and maintenance seminar
- on booth space at the equipment shows
- on advertising in annual membership directory

TO BECOME AN NTTC ASSOCIATE

Qualifications: You or your company provide goods and/or services to carriers involved in the bulk transportation of hazardous and non-hazardous commodities over the highways. Bulk shippers, receivers, private fleets, suppliers and others wishing to stay on top of the issues affecting their operations and market are encouraged to participate. NTTC's Associate category is not available to affiliates of for-hire motor carriers. Associates are not eligible to vote or hold office in the Association.

Associate Fee: \$850 annually

To become a part of this dynamic group, please complete the application and mail, fax or e-mail to:

**National Tank Truck Carriers, Inc.
 950 North Glebe Road, Suite 520
